ALUMINIUM MADE TO MEASURE DOORS

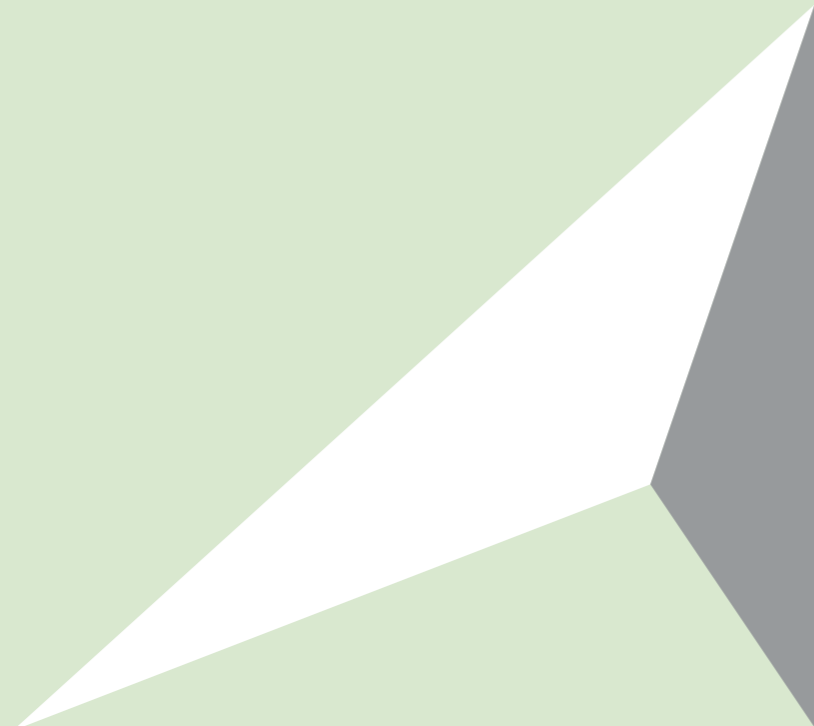

sales@justdoorsuk.com | 01530 273365 | justdoorsuk.com

Who are **we**?

We are specialists in the fabrication and supply of quality aluminium front and back doors.

All our aluminium products seamlessly combine desirable designs with efficient energy ratings and sophisticated security features making them exceptional products to offer your clients.

If you are an architect, builder or trade installer **our** Doors are your perfect choice.

Our doors are approved by leading industry figures like FENSA, CHAS and Secured by Design, rest assured that we've had our fabrication credentials independently audited.

Our powder coating applied to the aluminium is guaranteed not to peel, blister or fade, ensuring your product looks good for its entire lifespan.

For peace of mind, our hardware carries a 10 year guarantee.

We deliver right across the UK to installers, architects and builders who have come to know us for our quick lead times and reliability.

We can offer a 5 day turnaround on 5 of the doors from our range*

Highly Secure

Our aluminium front doors have multipoint locking systems as standard and have been tested to exceed the requirements of the PAS24 Standard.

Meeting Secured By Design (SBD) standards.

This is the UK Police flagship initiative supporting the principles of “designing out crime” through the use of effective crime prevention and security standards for a range of applications.

BSI Kitemarked

The Platinum 3 Star Cylinder has been independently tested by BSI to be awarded the British Kitemarked TS007:2014 3 star accreditation.

Our standard door colours are: grey, black and white. They can come with either long bars, modern handle & escutcheon or round lever handles.

Thermal Efficiency

Our Aluminium doors are equipped with an insulated door panel and polyamide thermal barrier, making them a superior choice to timber doors.

Bespoke Design

All Atlas products are tailor-made to your requirements by our highly skilled team.

Construction

Constructed using 1.5mm powder coated aluminium sheets bonded to a Bre A+ Rated CFC Free Expanded Panel Polycore.

Maintenance

Our doors are designed to be virtually maintenance-free, but to keep your door looking great just a general clean is required.

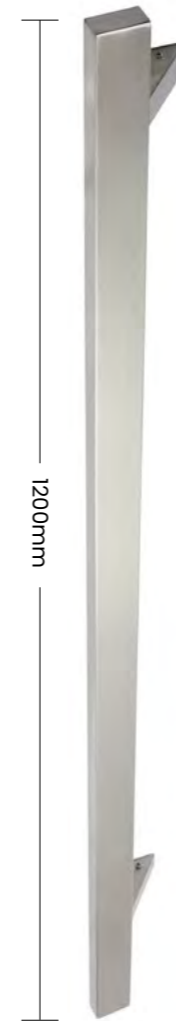

What door colours are available?

Our standard colour is anthracite grey. We also offer a full range of RAL colours, which can also be produced as a dual colour door.

For that extra special finish, we can offer the textured Sensation colour range.
